ANALYTICAL ACTIVITY:-

- 1 Do not waste energy worrying about things that you cannot control.

~~Philoso~~

Philosophy: Stoicism.

REASON: The philosophy teaches us to focus only on what we can control & ignore the rest. By doing this we can avoid extra stress & live a more peaceful life.

2. "Your choices define who you are, so take responsibility for your life".

Philosophy Existentialism

REASON It says that we are free to make our own choices, so we must take full responsibility for our actions. We create our own meaning in life through the choices we make every day.

A meaningful life should include service & concern for all human beings.

- **Philosophy** Humanism

- **REASON** This philosophy is all about helping others & caring for humanity. It believes that making the world a better place for everyone is the true purpose of a good life.

Before accepting a claim, examine evidence & logical reasoning.

Philosophy logical positivism

REASON It tells us to always check the facts & proofs before believing anything. Without solid evidence or clear logic, we should not accept any information as the truth.

A good life requires the development of virtue, wisdom & personal Excellence

PHILOSOPHY Aristotelianism:

REASON - It focuses on building good habits, being wise, and becoming the best version of yourself. True happiness comes when you work hard to improve your character & skills over time.
